LOCS **LOWEST OPERATING COST SOLUTION (LOCS)**

Camoplast's rubber tracks set the industry standard for the Lowest Operating Cost Solution (LOCS) for compact construction equipment.

1 **UNBEATABLE DURABILITY**

Up to 50% more durable than regular replacement tracks.

2 **OUTSTANDING RELIABILITY**

Simply the best warranty in the industry—up to 30 months.

**BEST
WARRANTY
IN THE INDUSTRY**

3 **AFFORDABLE PRICING**

Tracks are shipped directly from our manufacturing plants at reduced cost.

4 **OPTIMAL AVAILABILITY**

Fast delivery through our global distribution network for less downtime.

5 **EXCLUSIVE HIGH-PERFORMANCE TECHNOLOGIES**

Premium quality rubber and steel, patented technologies and state-of-the-art facilities.

6 **OEM OPTIMIZATION**

As the only track maker that designs and manufactures undercarriage systems for OEMs, Camoplast designs tracks to BETTERFIT your machine.

Camoplast tracks:

High performance you can count on!

ators

STEEL CABLES

- Made of high-tensile steel wires resistant to cutting and stretching, allowing for even tension throughout the track
- Unique steel core design improves rubber bonding
- Special coating improves corrosion resistance
- Even cable placement

3S IRON CORE

- Exclusive External 3S Iron Core
- Greatly reduces vibrations for a smoother ride and less noise
- Significantly reduce risk of detracking

CURBSHIELD

- Edge cutting protection
- Prevent cable and metal bar from damage
- Protect steel bar and rubber adhesion

COMPARE AND SAVE

FEATURES & BENEFITS	CAMOPLAST HXD	CAMOPLAST SD
Warranty – Durability	30 months – 2500 hours	18 months – 1500 hours
Anti-detracking	Heavy-Duty External 3S Iron Core	External 3S Iron Core
Low vibration	Heavy-Duty External 3S Iron Core	External 3S Iron Core
Tread design	- Extreme durability - Maximal chunk and tear resistance - Best side slip performance - Hauler steps design mud auto-cleaning	- Superior durability - Minimal soil disturbance - Hauler steps design mud auto-cleaning
Rubber Compound Technology	AdvanceX (30% more durable than Camoplast SD)	Exclusive
Carcass thickness	Heavy-duty	Standard

CAMOPLAST'S EXCLUSIVE TECHNOLOGY

Camoplast designs and manufactures undercarriage systems and tracks **for most of the world's major OEMs** (Original Equipment Manufacturers).

Its unique know-how ensures that all Camoplast tracks **enhance your specific vehicles' performance and component longevity.**

YOUR GUARANTEE OF **RELIABLE PERFORMANCE** AND **OUTSTANDING DURABILITY**

- optimized track geometry for reduced component wear and derailing
- precise pitch ensuring perfect sprocket and track engagement plus flawless alignment of steel cables and iron core
- fewer track tension adjustments

ALL CAMOPLAST **HI-PERFORMANCE TRACKS** DELIVER:

- optimal performance
- maximum traction
- extended component service life
- superior durability and reliability
- reduced downtime and replacement costs

compact loaders

CAMOPLAST **HXD**

Extreme durability track for heavy-duty applications. Meets or exceeds OEM track specifications.

CAMOPLAST **SD**

Superior durability track that outlasts most competitive products on the market.

track

STEEL CABLES

- Made of high-tensile steel wires resistant to cutting and stretching, allowing for even tension throughout the track
- Unique steel core design improves rubber bonding
- Special coating improves corrosion resistance
- Even cable placement

TRACKGUARD

- Prevents infiltration of water, sand and rocks between the rolling path and iron core
- **Increases** rolling path durability by 100%

IRON CORE

- Produced from superior steel alloy for a track **15% stronger** than the competition's

RUBBER COMPOUND ADVANCEX

- Long-lasting, low-abrasion rubber tread compounds for greater resistance to cutting and gouging
- Extreme durability
- Maximal chunk and tear resistance

COMPARE AND SAVE

FEATURES & BENEFITS	CAMOPLAST HXD	CAMOPLAST SD
Warranty – Durability	18 months – 1500 hours	13 months – 1100 hours

TREAD PATTERNS

MTL 1

MTL 2

Tread patterns designed for maximum traction, floatation and durability.

RUBBER COMPOUND ADVANCEX

- Long-lasting, low-abrasion rubber tread compounds for greater resistance to cutting and gouging
- Extreme durability
- Maximal chunk and tear resistance

CAMOPLAST HXD

A unique easy-to-mount attachment that increases traction and floatation of your skid steer.

EASY-MOUNTING DESIGN

- Mount in a matter of minutes on most skid steer makes and models
- Several size links included for proper fitment
- Lightweight and portable for more versatility and maneuverability

OUTSTANDING RELIABILITY

Warranty **12 MONTHS / 500 HOURS**

camoplast
HI-PERFORMANCE TRACKS

over-the-tire tracks

LIFEMASTER TREAD PATTERN

- Smoothens ride & enhances comfort
- Floatation even over new asphalt and concrete without scarring

TRACTION RIBS (A)

- Deep inside traction profile for optimal traction

IRON CORE (B)

- Forged high grade embedded spring steel for maximum strength
- Patented power efficient traction through load sensing friction/engagement with tire
- Low friction inner guide minimizes heat

CONSTRUCTION TIRES AND WHEELS

Experience high-performance products that shape your world! Take the lead on the jobsite with a wide range of ultra-durable tires for multiple applications.

Discover our full lineup of Solideal construction tires and wheels today and get superior durability and reliability working for you.

Leading the way

With more than 10 million tracks produced since 1958, Camoplast is the leading brand of high-performance tracks. As a global producer, Camoplast relies on exclusive state-of-the-art manufacturing capabilities and the largest R&D team in the industry to lead the way in the development and manufacturing of high-quality tracks delivering superior value.

GLOBAL PRODUCT SUPPORT

At Camoplast, we offer industry-leading technical expertise and outstanding customer service. No matter where you are in the world, one of our track experts is ready to assist you with:

- Finding the right track for your specific needs
- Answering your technical questions
- Ensuring delivery of replacement parts for your equipment
