Subject: Letter of Authorization

Dear Supplier:

Petrocon is one of the nation’s largest commercial buying groups in N. America for the construction related industries. This Letter of Authorization allows Petrocon Corporation to negotiate on behalf of said member, for the purpose of procurement of various commodities within Petrocon’s service offering.

Petrocon will be provided access to company information regarding volume, pricing, geographic location, and other information for the purpose of evaluating existing procurement strategies and efficiencies, and be acting on our behalf to help improve our company’s procurement strategies.

Your cooperation is appreciated and your timeliness in providing information for this purpose is requested.
